

Role: Financial Accountant

Industry Type: IT Services and Consulting

Experience: 5+ Years

Employment Type: Part-time, with the potential to be offered a full-time position

Location: South Africa

Role Summary:

We are looking for a part-time Financial Accountant with 5+ years of experience who will be working as part of the core Finance Team in South Africa.

Location:

As this is a remote role, we will consider applicants from all over South Africa as you will be comfortably set up to work from anywhere in the country. However, in-office working is available to applicants as needed.

Desired Candidate profile:

The ideal candidate must have the appropriate qualification and at least 5 years of experience in the accounting field. The candidate should be a good communicator, problem-solver, and adapt quickly to different environments and situations. They need to be comfortable working remotely, under pressure to meet reporting deadlines, and independently rather than in a managed role. As we are an international company, the candidate must be prepared to work odd hours due to time zone differences as and when needed.

Role Responsibilities and Functions:

- Monthly accounting.
- Monthly journal entries.
- Preparation of monthly reporting pack.
- Analyse accounts and be able to explain differences.
- Invoicing and resolving queries with customers.
- Ensure costs are correctly recovered from customers and group companies.
- Follow up with USA customers regarding payment.
- Liaise with Tax and Payroll Consultants in the USA for tax submission reports.
- Oversee conversion from Quickbooks to Xero (accounting applications).

Job Requirements:

- BCom Degree or higher qualification in Finance or related field.
- Strong analytical, communication and problem-solving skills.
- Able to work productively and autonomously from a remote location.
- Attention to detail.
- MS Office.
- Xero experience (preferable).

About iWMS:

iWMS is a Global company and an expert in critical supply chain and eCommerce fulfilment solutions. We specialise in Körber Supply Chain warehouse management system implementation, integrations, system health checks, support, and diagnosis.
